

Anhui Agricultural Science Bulletin
Vol.31 No.3 Feb. 2025
Contents

Occurrence of weeds in wheat field and its influence on wheat production
..... LIU Caizhong XU Xuan SUN Xuqian JI Meidi(1)

Comparative experiment on fertilizer utilization efficiency between single season rice fields under different fertilization methods..... CHEN Weinan GONG Mengmeng KUI Xiu(6)

Characteristics and high-yield seed production techniques of the fragrant hybrid indica rice variety Quanxiangyou 89
..... XIA Xianghua WENG Tongxiang REN Daisheng TANG Xiuzhu TAO Yongshou(11)

Cultivation techniques and promotion strategies for high-quality and high-yield rice in the Southern Jiangsu Province
..... NIU Wenjing FAN Mingyuan ZHOU Jin TIAN Shuai WANG Jiansheng(15)

Effects of different arrangement density and fertilization treatment on the growth of *Camellia osmantha*
..... GAN Yanxia HUANG Lanqing GUO Ping LI Pingjuan LI Chaoping SHI Guohuan LU Yanliu(19)

Effects of different rootstocks grafting on survival and growth of *Cerasus×kankakura* ‘Tairyo-zakura’
..... CAI Fengling LIU Jun HUANG Shiming DAWA Yuzhen HUANG Shaodong(23)

Key technologies for improving quality and efficiency of pomegranate in Huaibei region ZHU Jun(28)

High-yield cultivation techniques of Tanbi wax gourd..... FANG Shoushan(33)

High-quality cultivation techniques of *Artemisia argyi*..... YANG Qing YU Yongliang XU Lanjie
..... YANG Hongqi TAN Zhengwei LI Chunming SUN Yao DONG Wei AN Sufang LU Dandan LI Lei LIANG Huizhen(38)

Morphological difference and path analysis of *Procambarus clarkia* from Anhui Province WANG Fen SONG Guangtong
..... XU Xiaona ZHANG Wenwen CUI Feng ZHU Shiming YIN Junfeng CHEN Zhu ZHOU Xiang FU Chenghai(42)

Research on protection strategy of green peacock in Yunnan Province
..... YANG Yinzhang ZHAO Hangwen XIAO Jun ZHANG Demei(48)

Effects of graphene oxide on seed germination and seedling growth of *Acacia cincinnata*..... ZHANG Shuxia(52)

Key techniques of transforming low-yield forest of *Camellia oleifera*..... YU Jianbin(57)

High-yield cultivation techniques of *Camellia oleifera* forest..... XIE Xuefeng(61)

Analysis of plant population and distribution characteristics of coniferous forest in Mangdang Mountain Nature Reserve
..... MA Zheng(65)

Investigation and analysis of plant communities in Hefei Binhu National Forest Park
..... LI Yuhua DONG Guanzi YU Qingfeng LI Yingying(70)

Landscape optimization of urban park based on spatial syntax	LI Xiaolong WANG Yanfei GUO Faru LIU Qianling ZHAO Shuaikang(75)
Analysis of soil acidification causes , resistance control techniques and improvement strategies	HONG Guosheng(80)
Investigate on fertility change of different soil type and effect of typical yellow soil fertility cultivation model	LI Rui LEI Hao HAN Feng WU Kang ZHU Huaqing LIANG Yanfei(85)
Comparison of the control effect of 3 biological pesticides and fipronil manganese zinc on potato diseases	CHEN Zebin TUO Jumei SHI Lingyan ZHANG Chunyan ZHU Jiyu(91)
Control efficacy in field of 2 sets of pesticides combinations against peach bacterial shot hole	QIN Liang XI Jiazhi XU Sheng(95)
Common diseases and pests of <i>Torreya grandis</i> and their control techniques.....	ZHOU Jian(99)
Effects of bio-assisted fermentation on neutral odorant components and sensory quality of Yunnan cigar tobacco	ZHOU Xiao XU Zhengrong YANG Kun LIU Yanhong WANG Bingbing LI Tian LIU Yan LU Xin(103)
Isolation, identification and fermentation performance of wild yeast strains in blueberry fruit	LIU Xi SI Shengli YANG Kunfan(110)
Exploration of the blended teaching model of <i>Horticultural Plant Breeding</i> course	MENG Jingjing ZHOU Yanli YU Yang YAO Fangjie QIAO Hongyu WANG Yan(116)
Research on the optimization countermeasures of the farming and reading education model of Horticulture major	WANG Jiangang ZHAO Shirong(120)
Practice of teaching reform in <i>Poultry Production</i> course under the background of new agricultural science	LI Helin WANG Fenghong JING Xiaoqi(124)
Exploration and practice of talent cultivation model for master 's degree students in edible mushroom industry	ZENG Xiangyu TIAN Fenghua(129)
Investigation on the influencing factors of urban elderly 's willingness for rural retirement relocation	CAI Shangle XIANG Jinwen(134)
Analysis of the current situation and optimization measures for cultivating high-quality farmers in Fengyang County	MU Xuejiao ZHANG Wei(140)
